

**GOVERNMENT OF ANDHRA PRADESH
ABSTRACT**

Industrial Water Supply – Permission for drawal of additional quantities of 1.23 C/s of water from CIP main canal to M/s Reliance Industries Ltd., for operation of RIL Gas onshore terminal at Gadimogga, East Godavari District – Permission accorded – Orders – Issued.

IRRIGATION & CAD (PW-REFORMS) DEPARTMENT

G.O.Ms. No. 41

Dated:22-04-2010

Read the following:-

1. G.O.Rt.No. 1736 I&CAD Dept. dt. 10.12.2004.
2. From the ENC(Irrigation) I & CAD Dept. Hyderabad, Lr.No. ENC(I)/DCE-IV/OTGDS /AE12 /Reliance Ind./Industries vol.6, dt:31-12-2009.
3. From the ENC(Irrigation) I & CAD Dept. Hyderabad, Lr.No. ENC(I)/DCE-IV/OTGDS /AE12/Reliance Ind./Industries/IWS/09 dt. 9.2.2010.

ORDER:

In the letters 2nd and 3rd read above, the Engineer-in-Chief (Irrigation), has stated that M/s Reliance Industries Limited, has requested to allocate a quantity of 1.23 Cusecs (3000 Cum per day) for operations of Reliance Industries Ltd., Gas on Shore Terminal at Gadimoga in addition to the earlier allocation of 0.85 c/s in the G.O.Rt.No. 1736, I&CAD dt:10-12-2004 from C.I.P. Canal (Coringa Island Project canal), a branch of Godavari eastern Delta Bank canal.

2. It is further stated by Engineer-in-Chief (Irrigation) Hyderabad, that at present, M/s Reliance Industries Limited is already drawing a quantity of 0.85 C/s from CIP canal (A distributory of Godavari Eastern Delta Bank canal) and have requested for permission to draw additional quantity of 1.23 C/s water from the same location. The discharge of CIP canal is 240 C/s with a provision of 40 C/s for drinking and Industrial purpose as reported by the Executive Engineer, G.E., Division, Dowlaiswaram. The Engineer-in-Chief has stated that a quantity of 31.25 Cusecs is still available for drinking water and Industries in the bank canal against the requirement of 1.23 C/s by Reliance Industries. Further the Superintending Engineer, Irrigation Circle, Dowlaiswaram has recommended for allocation of additional quantity of water of 1.23 C/s i.e., 238 MG per year for allocation to M/s Reliance Industries Limited from CIP canal, Gadimoga, East Godavari District which has been also recommended by Engineer-in-Chief (Irrigation) Hyderabad, subject to availability of water in CIP canal the conditions mentioned below.

1. The entire cost of construction of intake well, pump house, pipelines excavation etc., should be borne by the Industry only.
2. Water meters or suitable measuring devices should be installed by the Industry at their own cost to measure the water consumed and should be made available to the Department authorities and the representatives of the user shall be present at all times for inspection.
3. The Industry should pay water rate at the existing rates and subject to revision by the Government from time to time and in case of failure to pay water rate/royalty the permission to draw water shall stands cancelled.

Contd....P2

4. No field bodhi or pipeline shall be taken through or along with Government land without approval of Government and if permission accorded by the Government, the lease amount should be paid as fixed by the Government only.
5. The Industry should obtain the prior concurrence of concerned Departments for laying pipeline and for crossing etc.,
6. The Industry should make their own arrangements for supplementation of water in their premises only.
7. The industry should make their own arrangements to dispose the treated effluents as per norms of Andhra Pradesh Pollution Control Board in their premises only and should obtain prior permission if any needed from Government to dispose treated effluents in the natural sources.
8. The Irrigation Department reserves the right for cancellation of the permission without assigning any reasons thereof.
9. The Irrigation Department is no way responsible of non-supply of water due to any reasons.
10. The Industry must acquire the private land for installation of pumping arrangements. If the Industry proposes to utilize Government land for installation of pump house, necessary permission is to be obtained from Government for leasing the land and the lease amount as fixed is to be paid by the Industry.
11. The Industry has to construct CC walls to avoid leakages at pipe line crossings.
12. The water drawn from canal should be utilized for the purpose for which permission is granted. Any misuse in this regard will entail cancellation for the permission without any notice and the firm is liable for imposition of penalty.
13. The Industry should follow the Revenue Board Standing Orders.
14. The Industry shall pay security deposit at 2.5% on 20 years water charges for which permission is granted.
15. The permission accorded shall be for a period of 20 (Twenty) years only. The permission has to be renewed well in advance before the expiry of permission.
16. The Industry shall pay one year water charges as advance and amounts due to the Department before entering into agreement.
17. **The Industry should follow the G.O.Ms.No.39 I&CAD dated 2.4.2002 and must pay water charges at the rate of Rs.4.50 per 1000 gallons, as the water is used for consumptive use.**
18. The Industry should make its own arrangements for summer storage in their premises only. The industry shall make its own arrangements for creating storage tank and for the period whether there may not be flow in the river sufficiently more than 6 months utilization.

//3//

19. A detailed plan showing the location, the intake arrangements, details of pump-house, conveyance system etc., shall be furnished to the Department.
 20. The Industry shall abide any other conditions laid down by the Government/ Department from time to time.
 21. The firm has to pay the water charges for the estimated quantity in advance at the start of the financial year i.e., before 10th April every year as per BSO.
 22. The consumptive utilization of 238 MG per year (1.23 cusecs) as required should not exceed under any circumstances.
 23. The permission does not confirm any riparian right to the Industry.
 24. Non adherence of the any of the conditions by the Industry entails cancellation of the permission.
 25. The District Collector's concurrence and the Clearance certificate from A.P.P.C.B is to be obtained by the firm.
3. In the circumstances reported above, Government after careful examination of the proposal hereby grant permission for drawal of additional quantity of 1.23 C/s of water from CIP Main Canal to M/s Reliance Industries Ltd., for operation of Gas onshore terminal at Gadimogga, East Godavari District, for consumptive use for Industrial purpose, subject to payment of royalty charges and conditions as stipulated in Board of Revenue standing orders and general conditions as mentioned at para (2) above.
4. The Engineer-in-Chief (Irrigation), Erramanzil, Hyderabad, shall take necessary further action accordingly in the matter.
